

"Sophie"
Co Star

JACK

Do you know how many different
microbes are probably on that
floor? *Staphylococcus aureus*,
Escherichia coli...

SOPHIE

Escherichia coli, dressed in yellow

NICK

Want upstairs to kiss her behind

Back with the white...

JACK

We should tell Patrick.

Silence. Clearly this isn't a popular idea.

JACK (CONT'D)

It's his father too. We should
tell what's going on.

NICK

If he gave a shit, he would have
given us a forwarding address.

(TO MADISON)

You don't have a number for him, do
you?

SCENE 1

Madison shakes her head. Cam looks up at the camera.

CAM

~~STORY~~ Oh, no.

SOPHIE HANDBOOK, 16, music video dress girl-pose every,
enters. She's just a tiny hot mess.

CAM (CONT'D)

What are you doing here?

NICK

This is a waste of your time,
Sophie -- the drugs have all
locked up in cabinets.

SOPHIE

You know, for a public figure,
you're pretty nasty.

NICK

Tell you what. I'll stop being
nasty, you stop ruining my
brother's life.
