

MARTY <sup>18.</sup>  
1/22/15

Marty heads to a smoothie and cruises to some other players.  
No notice Jason look at her.

ME (COSTO)  
She's nice. She makes me nervous.  
So talk to her.

JASON  
I'm not ready to talk to her.

I once dated a girl, but was too shy  
to talk to her. When she got eaten by  
him. Live for today.

(Then)  
Marty?

He points at Jason, then files out with the other players.  
Marty approaches him.

JASON  
Sorry. Remember me? I talked you in  
the field  
(stammering over)  
So, you're the smoothie girl, huh?

MARTY  
Yes I am. I'm the smoothie girl.  
Today's special is Raspberry Cookies.

Just then, Coach approaches.

COACH  
Marty, how's it look for Jason?

MARTY  
I palpitated his hamstring and I've  
got him in a compression wrap. We'll  
keep hitting it with RICE and massage,  
but he's going to be day to day.  
Also, this jerk-ass thinks I'm the  
smoothie girl.

COACH  
Did you see him run? He's got bigger  
problems than that.  
(Turns to Jason)  
My "Adrian Packer" is playing like a  
dragger" ballerina. When I yell to  
No, you translate every word loudly,  
clearly and quickly. Get it?

The Coach cruises off.
