ELLIOT  
I know it's not my business, but  
are you two dating?

YONE  
(shy)  
Yes.

ELLIOT  
That's so cool. I can see that.  
You two are cool together.

YONE  
You're saying cool a lot. Which  
means you definitely don't think  
it's cool.

ELLIOT  
It's cool.

YONE  
It's too much, almost like showing  
up every day!

ELLIOT  
A little. I keep hoping one day he  
won't be with them. You know, for  
your sake.

YONE  
What do you mean, "my sake"?

ELLIOT  
Relationships are difficult. Don't  
let it impinge on your good  
staying here.

YONE  
Definitely not. Won't happen.

ELLIOT  
Good. So what's the latest on this  
happier flavor?

YONE  
(burst)  
Oh, oh. I can explain.

ELLIOT  
Please do.
