ANASTASIA (S.S.)
I'm coming with you.

REPULIA ANASTASIA, a fiery cloak now covers her wisest words.

REPULIA
You need to stay here. I can't have you blowing me down.

ANASTASIA
I wasn't asking for your permission.

REPULIA
Good, because you're never going to get it.

Repulia storms off. Anastasia hurries after her.

ANASTASIA
Don't wait for me.

Repulia shoots her a look as she can't shake her. Accepted.

REPULIA
That thing out there is dangerous. And Andrew? He left to protect you. To keep you safe -- I so wish if I don't agree with that decision, I'd gonna do what he wants. I'm gonna keep you safe.

ANASTASIA
I never asked him to.

REPULIA
You never had to. Everything is done, to done for you. That's the way he is. And now... now he's gonna die for you. I can't let that happen.

(After waiting)
Is you are going to stay here?

Anastasia just stares her down. Quiet. Not fearful.

ANASTASIA
No.
