

# "BRITANNY"

CHARLIE (V.O.)  
And patients you don't.

KARA  
(pointing to Charlie)  
So what's his deal? Is he dead?

KENJI  
No. He's in a coma.

Kenji leaves. Kara looks at Charlie. She walks over and pinches him. No response. She snags her fingers by his ear.

KARA  
You don't mind if I smoke do you.  
Come on? ... I didn't think so.

Kara grabs her bag, takes a cigarette and lights it. She sits on her bed, licks back and takes a deep drag.

CHARLIE (V.O.)  
You gotta wonder what I did to deserve this.

Kara goes over to Charlie and blows the smoke into his mouth. It comes out his nose.

## INT. HOSPITAL ROOMS - DAY

Bernandez walks over to the desk and discovers a basket of muffins.

BERNANDEZ  
(visibly annoyed)  
Who put these here?

KARA BERNANDEZ BOWEN, 34, code. She's hot, relentlessly cheerful, and leery-impaired. Hernandez berates her.

BOWEN  
I did. I made them. For you. I thought we could be like, muffin buddies.

BERNANDEZ  
Muffin buddies?

Kenji approaches the desk.

KENJI  
O'wow, he has muffin buddy.
