

Sarah' scene 1 page 1

Sarah/Denny

CHARACTERS

SARAH, 22, F - Sarah is the kind of girl who wears plenty of dark make-up to go along with her tough exterior. In actuality, Sarah is soft and vulnerable, more than even she would like to think. Her resting expression is hard, and her temper flares easily, but Sarah is just a girl who has grown up with a strange mix of love and is desperate to be loved. She is a model, but she does not think she is beautiful. She is in love with Jack, a photographer.

DENNY, 14, F - Denny is beauty personified. She is the desire of every other character in the film in one way or another. At the same time, she is a stereotypical teenager, often delightfully playful, at other times nasty and vicious. She has just moved to LA to pursue modeling.

Synopsis Sarah has caught Denny at Jack's studio, and is immediately convinced that they are having some kind of affair. We start the scene in the middle of their argument.

START

SARAH

I want to know why you were there.

DENNY

I told you. My agent sent me -

SARAH

Don't.

DENNY

It was a test shoot, just a random test -

SARAH

Are you fucking him?

DENNY

What?

SARAH

Are you fucking him?

DENNY

No.

SARAH

I saw you when I walked in. You were in the back room. You started throwing on your clothes...

DENNY

I was changing from the shoot.
