INT. INTERVIEW ROOM - CONTINUED

SMALL

Ellen Parks paces back and forth looking away from her long stay down in the holding cell. She is also very angry at Branda for making her wait.

ELLEN PARKS

Thought you were my friend!

BRANDA

It's important Ellen that you do not say anything yet and let me explain why. Unless you let me finish speaking, I'm going to have to put you formally under arrest. Is that what you want?

ELLEN PARKS

Why am I being kept here? I haven't done anything!

BRANDA

If I do charge you with a crime you'd be entitled to an attorney. Do you want me to charge you so you can have a lawyer present with you?

ELLEN PARKS

No. I don't want to be charged with anything.
