~~LENN  
I told you, Lew. Told you he'd  
felt fed it!~~

~~MARTY  
Says more about you than me that I  
did, so don't be too proud.~~

~~LENN  
Yo Vernoni! Wish my people exit so  
I can change upstairs. Vernoni!~~

As Lennie goes to locate Vernon and his wife, Marty turns to  
Drew, who can't help but smile.

~~LENN  
Shoulda seen your face.~~

~~MARTY  
No better be Jokin' about that  
shit.~~

As they head in, off Marty, cautiously optimistic about the  
new Drew/Lennie dynamic.

INT. COFFEE SHOP - MORNING

Jeanine having coffee with SARANDRA, mid 30's. Attractive,  
better than professional.

JEANINE  
So how are you and Sara doing?

SARANDRA  
Not great, Jeanine. We broke up  
two years ago.

JEANINE  
Oh. So, are you seeing anyone...

SARANDRA  
Jeanine, I know you don't do moral  
calls, that's fine. But pretending  
like that's what this is? A little  
insulting. So what can I do for  
you?

JEANINE  
Department of Justice is having  
bids for a consulting contract. Sara  
& Associates would be perfect for.
