 believe my accusations...

INT. CLASS STANLEY OFFICE - MORNING.

CLASS STANLEY - Lawyer, law Professor, early forties, good
 looking, reliable, honest, secret crush on Christine - is
 working in his office, eating Indian food, reading a file.

Christine enters and drops the THOMY SAMUEL FILE on his
 desk.

CLASS

CLASS
 (standing up)

CHRISTINE
 (overlaps)

 (looks in about to speak)
 Wait.

Clark nods. Christine opens the file and explains:

 Dr. Thomy Samuel wrote letters
 every year since he was imprisoned,
 and we couldn't take the letters.

CLASS

 Emily Butler's body, DNA proved he
 raped her. She was 15...

CHRISTINE
 Well, I know, Well, Now, in almost
 every letter he explained his
 story, but some early letters were
 more detailed than others. In a few
 of them, he mentions that after
 every letter it's his at the police
 station, he was photographed by a
 police photographer.

She opens the file page to SEVERAL PAGES of THOMY SAMUEL at
 15 years old. Clark points to the same photo photos
