STAGE

INT. KOLIKOVSKAYA, YANA'S OFFICE - DAY

Yana is on the phone at her desk.

YANA

(into phone)

--EXPECT two cables on the subject. One this evening, eastern time, at 1800 hours; the next will arrive tomorrow morning at --

She's interrupted by a **BONG** at the door --

Boris is there. He motions -- "Should I come back?" Yana lifts a finger to indicate "just a moment," then curls it toward herself to direct Boris to the seat opposite her desk.

YANA (CONT'D)

(into phone)

Sorry, Sir. The second cable will arrive tomorrow morning at 0800 hours eastern time. Let's talk after you review. Thank you, Sir.

She hangs up and sighs the sigh of a worker-bee dealing with someone half-as-smart (but twice-as-important) as herself.
