BRIAN
So, you've been undercover pretty much since what, Quantico?

LUCY
On my way to the follow Brian book, the final run of training. I got pulled out by SAC Brown, asking if I'm interested in a "special assignment..."

BRIAN

LUCY
For a posting in an overseas overseas team's security bag for "Big Little Mission."

BRIAN
Well, I see -- I'm sure there are a lot of... Disapprove...

LUCY

BRIAN

LUCY

LUCY

BRIAN
