NICHOLE KIDMAN

INT. FBI HEADQUARTERS

NICHOLE approaches OBI as she desks. He's busy with paperwork.

Sgt 1

NICHOLE
Sir? Need a hand with that?

OBI
I got it.

NICHOLE
I'm happy to help.

OBI
It's okay.

NICHOLE
I don't mind doing paperwork. When I'm going through a stack, I get so bored, sometimes I just lose track of time. I wish that the man doing it was me.

OBI
Would you?

NICHOLE
I saw you at the firing range the other day. If you're ever headed back down there, maybe I could tag along, pick up some pointers?

OBI
(head down)
Yeah, maybe.

cut.

NICHOLE
Sir? May I say something?

OBI
You don't have to call me sir.

NICHOLE
I've been observing your work. And I admire the way you carry yourself on the job.
