

INT. CONTROL ROOM

Harley and Ivy are frantically looking around the room.
Harley finds what she was looking for. A giant silver box.

Bingo! I told you, we'd find it.

IVY

You're always a glass half full kind
of girl Harley.

HARLEY

Hah. My cup runneth over Red.

IVY

Don't I know it.

Ivy opens the box to reveal a large bomb.

IVY

An MXD-Thermo Nuclear Device. Somebody
is obviously compensating.

HARLEY

Oh. Things are about to get explodie.
C'mon Gladys it's time to wake the
baby.

Harley lifts her "Gladys" (her bat) about to smash the bomb.

IVY

Harley!

HARLEY

What?

IVY

You weren't about to hit the nuclear
bomb, were you?

HARLEY

Yeah.

IVY

Are you crazy?

HARLEY

All kinds of.
