INT. THE WASHINGTON DC HYATT - A FEW NIGHTS LATER

A big, impressive suite with the lights out. We hear laughter  
and the door opens. It's Randall, in a tuxedo and Brie  
Evantee in a stunning gown.

BRIE EVANTEE  
So, I thought it was the  
ambassador. I was flattering him!

RANDALL  
Well he was the waiter and now he's  
got an ego the size of Texas.

They turn on the lights. JUNE, RANDALL'S WIFE IS ON THE COUCH  
WITH A BAG OF LUGGAGE NEXT TO HER.

RANDALL (CONT'D)  
Oh my god. June. What are you doing  
here sweetie.

JUNE  
I had a feeling something was going  
on.

RANDALL  
Well you know we're discussing  
important business. That's what  
we're doing.

JUNE  
Oh yeah, that's really very  
important.

BRIE EVANTEE  
Can we just skip past this whole  
part please, where you get to feel  
self-righteous and we put our tails  
between our legs? It's so boring.

JUNE  
You want to skip the part where you  
feel bad for screwing my husband.

BRIE EVANTEE

Oh I don't feel bad. Randall and I are having a wonderful time. So I think the question is: do we keep having a wonderful time or does he go back with you to Wisconsin? Or Montana? Or Michigan?

RANDALL

Michigan.

Beat.

JUNE

You know what? She's actually right. That is the only question. So...

RANDALL

Well June, sweetie. Sometimes things in life, they're, you know, complicated and they just-

JUNE

Oh, ok, that was fast. Before I go let me give you some instructions on how to take care of Randall-

She comes out of the bathroom holding a bunch of prescription pill bottles.

JUNE (CONT'D)

Here's the Xanax he takes for his panic attacks...

She throws the bottle at them, pills fly everywhere.

JUNE (CONT'D)

Here's the Zoloft he takes to curb the crashing depressions...

RANDALL

Not so much recently.

She throws the bottle. More pills fly.

JUNE

Oh, good for you! This is for his blood pressure. Restless Leg Syndrome. Appetite suppressant to counteract appetite gain from his other meds. And yeah, for America's Sexiest Scientist, a bottle of goddamn Cialis!

The last bottle hits Randall right on the head.

JUNE (CONT'D)  
Goodbye. Goodbye Randall! I'll tell  
your sons Dad's fucking the lady on  
our television!

RANDALL  
June, I-

BRIE EVANTEE  
I really thought for a second that  
was gonna work out.

They're gone.

INT. DRINK-MO STORE - ILLINOIS - CONTINUOUS

Kate, now a cashier at a giant Drink-Mo watches a CVN show.  
Phillip Kaj is a guest on the show.

PHILLIP (SOT)  
...people, they want to manage the  
comet to create jobs. 37% don't  
want the comet to hit. That's  
actually down by three points. And  
23%, they don't think there's a  
comet at all. And that number is  
way up.

INTERRUPTING VOICE  
Not Bitcoin, Ratcoin. Ratcoin.

A SKATER PUNK, 24 with TWO FRIENDS. One of them wears a  
MISFITS jacket and they all have stickers and hand drawn  
stuff on their clothes. The main guy, YULE has half his hair  
cut off.

YULE  
I'd like to buy these sunglasses.  
(gets a good look at Kate)  
Aren't you that girl from live TV  
who said "we're all gonna die"?

KATE  
No.  
(and then)  
What's your purchase?

He holds up his phone to her face. His lock screen is a meme  
of Kate from The Daily Rip.
