

MIA

You're gonna be on tour for what? Months now..years?

SEBASTIAN

This is it..I could be on tour with this for at least a couple of years. This record.

MIA

Do you like the music you are playing?

SEBASTIAN

I don't know what it matters?

MIA

It matters..If you're going to give up your dream that you like what you're playing on the road for years.

SEBASTIAN

Do you like the music I'm playing?

MIA

Yeah. I do. I just didn't think you did. You said Keith is the worst and now you're going to be on tour with him. I just didn't know if you were happy.

SEBASTIAN

Why are you doing this? I thought you wanted me to do this?

MIA

What do you mean I wanted you to do this?

SEBASTIAN

This is what you wanted from me.

MIA

To be in this band?

SEBASTIAN

To be in a band. To have a steady job.

MIA

Of course I wanted you to have a steady job so you could take care of yourself and your life and have a steady job and start your club.

SEBASTIAN

Why aren't we celebrating?

MIA

Why aren't you starting your club?

SEBASTIAN

You said yourself noone wants to go to that club.

MIA

So change the name!

SEBASTIAN

Noone likes jazz! Not even you!

MIA

I do like jazz because of you!

SEBASTIAN

And this is what I thought you wanted me to do. Am I supposed to go back to playing jingle bells?

MIA

I'm not saying that. I'm saying take what you've made and start the club! People will want to go to it because you are passionate about it and people love what other people are passionate about. You remind people of what they forgot .

SEBASTIAN

Not in my experience. Well.. whatever it's time to grow up. If you had these problems I wish you would've said something about it earlier before I signed on the dotted line.

MIA

I'm pointing out that you had a dream that you followed that you were sticking to.

SEBASTIAN

This is the dream! Guys like me work their whole lives to be in something that's successful that people like. I'm finally in somethin that people enjoy.

MIA

Since when do you care about being liked?

SEBASTIAN

You're an actress! What are you talking about?

(MORE)

SEBASTIAN (CONT'D)

Maybe you just liked me when I was on my
ass because it made you feel better about
yourself.

MIA

Are you kidding?

SEBASTIAN

No.

Fire alarm goes off. He walks to stove to open the smokey
ove. Mia leaves.
