

Noah: I see you got my letters. Finally. What are you gonna do Al?

Allie: I don't know

Noah: Are we back to that? Are we back there? What about the past couple of days? they happened, you know?

Allie: I know that they happened and they were wonderfu, but they were also very irresponsible. I have a fiance waiting for me at a hotel, who's going to be crushed when he finds out.

Noah: so you make love to me and then you go back to your

Allie: no! I made a promise to a man, he gave me a ring and I gave him my word

Noah: and your word is shut to hell now, don't you think?

Allie: I don't... I don't know, I'll find out when I talk to him

Noah: this is not about keeping your promise, and it's not about following your heart. It's about security

Allie: what is that supposed to mean?

Noah: MONEY!

Allie: what did you..

Noah: HE'S GOT A LOT OF MONEY!

Allie: now I hate you, you smug bastard!

Noah: and I hate you. If you leave here I hate you.

Allie: haven't you been paying attention to anything that's happening?

Noah: I guess not. I think I must have misread all of those signals

Allie: I guess you did.

Noah: you're bored! you're bored and you know it. You wouldn't be here if there wasn't something missing.

Allie: you arrogant son of a bitch!

Noah: would you just stay with me?

Allie: Stay with you? what for? look at us, we're already fighting.

Noah: well, that's what we do. We fight. You tell me when I'm being an arrogant son of a bitch and I tell you when you're being a pain in the ass. Which you are, 99% of the time. I'm not afraid to hurt your feelings. They have like a two second rebound rate and you're back doint the next pain-in the ass thing.

Allie: So what?

Noah: so it's not gonna be easy. It's gonna be really hard. And we're gonna have to work at this every day but I wan to do that, because I want you. I want all of you, forever, you and

Noah: would you do something for me, please. Just picture your life for me. 30 years from now, 40 years from now, what does it look like? If it's with that guy go, go! I lost you once, I think I can do it again, if I thought it's what you really wanted. But don't you take the easy way out.

Allie: what easy way? There is no easy way. No matter what I do, somebody gets hurt!

Noah: would you stop thinking about what everyone wants! stop thinking about what i want, what he wants, what your parent want. What do you want? What do you want?

Allie: it's not that simple

Noah: what do you want? damn it, what do you want?

Allie: I have to go
