

INT. SPACE SHIP

Brad is drinking from a bottle. He is a little drunk when Kurt approaches.

KURT
Where's Keyla?

BRAD
Gone. She had to get back to her people.

KURT
Oh. I thought she was going to stay with us.

BRAD

KURT

BRAD

KURT
You don't have to be an asshole.
(pause)
Did she say anything? Keyla. Before she left.

BRAD
No...Yes. She said to feed the cat.

KURT
We have a cat?
