

DAVID

Who's the geek on your sofa?

MADDIE

What are you doing here?

DAVID

Relax, I just came by to return my company cars and to tell you you're making a big mistake closing the Blue Moon Detective Agency.

MADDIE

Get out of my kitchen. Get out of my house and off my property. This is breaking and entering.

DAVID

No. This is breaking and returning. Don't make faces there is a difference. Look when the judge ask what I took you gonna have to tell him I didn't take anything. I brought back two fifty thousand dollar cars and you're gonna look dumb. Breaking and returning. A subtle difference but a difference none the less.

MADDIE

If you don't leave this instant, I'll scream.

DAVID

That would bring the geek in here, wouldn't it?

DAVID

Tell me about him. I hope you two aren't planning anything serious. That would be a waste.

MADDIE

You're the most aggravating person--

DAVID

The guy is obviously not from this planet. Now, I'm willing to wager, and we're talking considerable money here that the guy wears bikini underwear. Tell me you're in a position to know and break my heart forever.

MADDIE

I'm calling the police.

DAVID

Deny the man blows bubbles with his drool. Simply true or false statement. Of course, he does. do birds fly? Do ducks duck? I just wanna talk to you.

MADDIE

But I don't wanna talk to you.

DAVID

I understand. You're having financial difficulties, but that is no reason to close us down.

MADDIE

Do you know how much money you lost last year?

DAVID

That's because we're supposed to lose money. It was our job to lose money. We lost money great. Now, you say make money, we're gonna make money great.

MADDIE

This is ridiculous.

DAVID

I'm a terrific detective.

MADDIE

Nothing in your work record indicates that.

DAVID

Excuse me, I have extraordinary credentials and experience. Let's talk about Yale and Princeton.

What about Yale and Princeton?

DAVID

That's right. What about Yale and Princeton. Let's talk about government training. Let's talk about Vietnam.

MADDIE
You were in Vietnam?

DAVID
I could have been. I came very
close.

MADDIE
I need you to leave.

DAVID
You need me to live. You are one
cold icy babe. Your nose is so far
up in the air, it's snowing on your
brain.

MADDIE
You're a helluva salesman.

DAVID
You need a guy like me. I'm fun
Maddie. When was the last time you
had fun.

MADDIE
I have fun. Tons of fun.

DAVID
With who? The stiff on the sofa?

MADDIE
He happens to be a very important
man. He actually went to Yale. He
served his country as a fighter
pilot in Vietnam. He was even asked
to run for state assembly last
year.

DAVID
Is that all.
